This is the first of two calls to share progress and outcomes of the state/regional meetings in response to "Prong 1" of the Administrator's July 2017 letter. In trying to find some time in the near term, this was the "best" date where folks are available at least for a portion of the time.

Agenda

1. Status of scheduled meetings
2. Shared experiences
3. Discussion of "tools" which the regions may wish to discuss (discuss)
